MUSIC CLASSES

World Travelers (4-5 Years)

Children experience and learn different cultures through exposing them to a collection of world music. Each week children go on an inspiring musical and cultural journey around the globe. Passports, tickets, maps and foreign currency are some of the many things explored in this exciting journey.

Wild About Rock & Roll

Children will learn the basics of Rock & Roll, create a rock band, learn musical instruments and vocabulary, make a music video and more. Unleash your child's inner rock star.

**Drop-off programs.
Duration: 45 minutes**

MUSIC CLASSES

Listen, Learn & Play (5-12 Years)

Group Guitar Lessons

A comprehensive music program for boys and girls ages 5-12 years. The program is designed to teach your child to play the guitar like a rock star. Professional led music teachers help the child understand different genres of music while learning to play a complete song in a group setting. (4-6 children per group)

At the end of each session, participants will perform songs to which parents are invited to attend. Guitars can be purchased for an additional fee but are not mandatory for class.

**Drum & Percussion lessons
are also available!!!**
